complete fuel storage solutions

# Kommander Tanks (10 - 110k lts)

Modular Fuel Storage & Dispensing Systems

## MODULAR STORAGE

Complete fuel, lubricant and chemical storage and dispensing system.

## TRANSPORTABLE

Containerised foot print for easy transport.

Fuel monitoring and management, filtration, tank farms, we offer a range of configurable storage solutions tailored to the fleet & logistics industry.

Minimum civil works required.

## TAILORED SERVICES

Design, supply, commissioning and maintenance services tailored to specific requirements.

## SAFE & RELIABLE

Safe and speedy refuelling of heavy equipment ranges from single tank with integrated supply system through to bulk fuel storage for up to 1,000,000+ litres.

## RESPONSIVE & FLEXIBLE

We enable efficient refuelling of vehicles, machinery and equipment to reduce operating costs.

## PROJECT MANAGEMENT

Qualified engineers, project management personnel available to assist with the design and install of single tank through to large fuel storage facilities.

## SERVICE & MAINTENANCE

Hydrocarbon facility maintenance; tailored maintenance packages for any type of fuel or lubricant storage and dispensing system regardless of original equipment manufacturer.

# Specifications

**LOGITANK KOMMANDER LTKO WITH LINKING KIT**

The KOMMANDER is a self-bunded tank suitable for storing a range of fluids including diesel, petrol\* and lubricants. There are two styles available depending on your needs or application; with or without a bunded pump bay. These tanks are designed to be transported and installed with minimum civil works.

## Kommander Tank Range

model	safe fill litres	length mm	width mm	height mm	weight kg
LTKO 12	10,610	2,991	2,438	2,896	4,045
LTKO 20**	16,840	2,991	2,438	2,896	3,760
LTKO 30	28,960	6,058	2,438	2,896	6,472
LTKO 38**	35,180	6,058	2,438	2,896	6,133
LTKO 68	65,590	12,192	2,438	2,896	9,800
LTKO 75**	71,850	12,192	2,438	2,896	9,455

\* please check local petrol (ULP) storage regulations

\*\* model comes without a bunded pump bay

# Industry Applications

**Home Base Refuelling**

**Unmanned Refuelling**

**Portable Energy Refuelling**

**Equipment Refuelling**

Agribusiness. Commercial Transport & Logistics. Local Councils. Recreation. Portable Energy.

Power Generation. Mining. Drilling. Construction. Equipment Hire and Rental.
